

Vodafone Total Business price plans

Vodafone Total Business price plans help you control your mobile spend for the whole company. With unlimited calls to UK landlines¹ and mobiles on the same price plan, sharing minutes among users and even 50 texts at no extra cost,² Vodafone enables you to do what you need to do, easily and flexibly.

Great new benefits

- Call colleagues on the same price plan at no extra cost, without using your inclusive minutes
- Retrieve your Voicemail 24/7 without using up your inclusive minutes
- Carry over your minutes for one month so you don't lose them.

In addition to your monthly minutes, Vodafone Total Business enables you to:

Control your company mobile spend, with:

- Unlimited calls to company mobiles on the same plan, and inclusive calls to UK landlines¹
- Unlimited calls to up to 10 company-owned landline numbers.
- Unlimited Voicemail retrieval at no extra cost
- Single-user mobile data bundles – 500MB or 5GB per user per month – to cover browsing, emailing and web applications
- The ability to carry unused voice minutes over for one month.

Choose a 24-month agreement and you also get:

- Unlimited calls to all UK landlines (starting with 01, 02 or 03)
- 50 text messages per user per month at no extra cost.

Stay flexible

- Carry over any unused minutes for one month
- Exclusive free 24-month manufacturer warranty on all mobiles purchased directly from Vodafone.

Communicate globally

- Simple flat rates for international calls from the UK – Europe and North America 12p/minute, rest of the world 30p/minute
- With Vodafone Passport, pay 64p connection charge for each call made or received within Europe, and 75p outside of Europe and then all calls (including any calls between business mobiles) come out of your inclusive minutes
- Flat rate of £4.25 per MB mobile data usage in any country, on any network.

Work remotely

- Optional single-user monthly data allowances of 500MB or 5GB. A 500MB allowance, for example, lets you surf the web for 30 hours, and send or receive 500 emails plus download 50 presentations, 50 spreadsheets, and 50 documents³
- You choose whether to include mobile email in data allowance
- Includes range of handheld devices which support BlackBerry, Windows Mobile Email or Vodafone Email Plus.

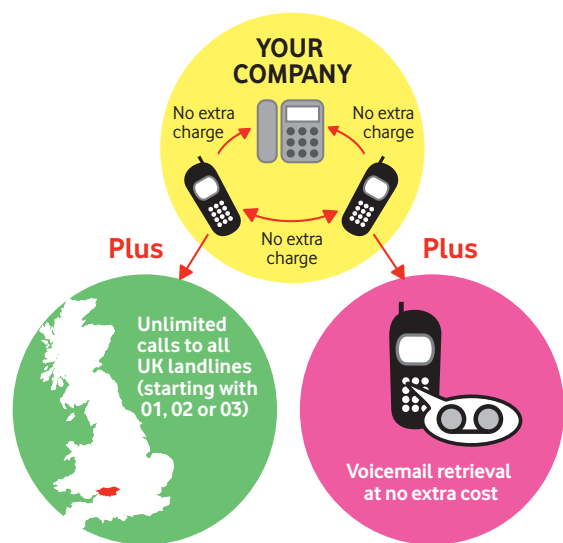

Illustration for 24-month agreements

Text freely

- Upgrade with additional monthly text packages per handset – 100 texts per month with Vodafone Text 100 for £3, or unlimited texts per month with Vodafone Text Max for £5⁴

It's easy to move to Vodafone

You can keep your own numbers – meaning you won't need to reprint business cards, and you won't risk missing out on business. Just give us some basic information and we do the rest.

Vodafone Total Business price plans help you control your mobile spend for the whole company

1. For the first 60 minutes (10p per minute thereafter) to numbers beginning 01, 02 or 03 when dialling from within the UK (not using call return) and on a 24-month contract only.
2. On 24 month agreements only. 3. For illustration purposes only based on an average data size of documents sent over the network. 4. Capped at 3,000 texts. All prices exclude VAT.
