“We have had a great year with so many of our riders achieving excellence within their field which has only come from commitment, hard work and determination.

I would like to say a big thank you to all squad members on achieving so many titles and podiums and a special Thanks goes to Dan Mclay on becoming World Track champion which was the highlight of the season. I believe the future of this sport lies in supporting young up and coming riders to become the future stars. “

Peter Hargroves

I would like to thank everyone who has helped us through the season.
